THE **WORLD OF RICE**

## About Us

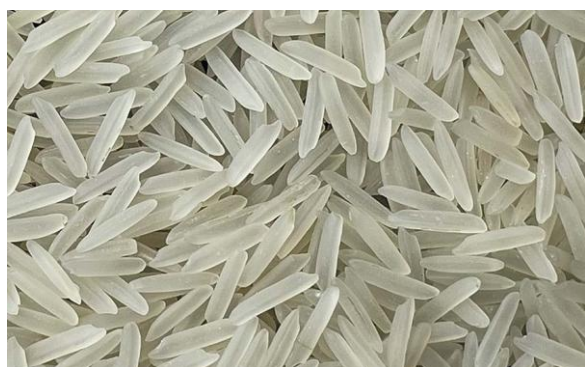

# SHREE KRISHNA AGRO INDUSTRIES

We, Shree Krishna AGRO INDUSTRIES are a pre-eminent millers, processors and exporters of Basmati & Non Basmati Rice to worldwide. Our offered products are internationally appreciated for their high quality in terms of purity, freshness and longer shelf life. In order to offer our clients a premium range of rice, we are associated with well-recognized farmers, who are known for their natural and healthy products such as paddy.

Also our Non-basmati Rice and Basmati Rice are prepared with most advanced and hygienic technologies that ensure to their optimum quality. Our offered Basmati Rice is very popular for its flavour as well as aroma. Also it becomes longer after cooking and gives great taste to your cuisine. Further, Non Basmati Rice that we offer is quality approved, and is rich in taste & nutritional values.
